

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF TENNESSEE
AT GREENEVILLE

UNITED STATES OF AMERICA)	
)	
v.)	No. 2:12-CR-93
)	JUDGE JORDAN
RAY ENGLISH)	

AGREED ORDER OF REVOCATION

An Amended Petition for Revocation of Supervised Release has been filed against the defendant, Ray English, and the defendant admits that he has violated the conditions of his supervised release as specified in violation numbers 1-10 in the Amended Petition. An agreement has been reached between the parties, recommending that Mr. English's supervised release should be revoked and that he should receive a sentence of the statutory maximum of 22 months imprisonment with no further supervision to follow. It is recommended that Mr. English serve the incarceration term at Lexington, KY and that he receive all available halfway house placement to aid in his transition into the community.

Mr. English agrees to waive his right to a hearing pursuant to Rule 32 of the Rules of Criminal Procedure, waive his right to allocute at a revocation hearing, and asks that the agreement of the defendant and the government pursuant to Rule 11 of the Federal Rules of Criminal Procedure be found to be a proper sentence. In doing so, the defendant acknowledges that he is giving up the following rights:

- (1) The right to the assistance of counsel for his defense.
- (2) The right to see and hear all the witnesses and have them cross-examined in his defense.
- (3) The right on his own part not to testify unless he chose to do so in his defense, and

- (4) The right to the issuance of subpoenas to compel the attendance of witnesses to testify on his behalf.

The Court has considered the Chapter Seven policy statements in the United States Sentencing Guidelines. The violations above constitute Grade B and C violations for which an advisory guideline range of 12 to 18 months would apply given his Criminal History Category IV. The Court has considered this advisory guideline range. The Court has also considered the statutory maximum of 22 months imprisonment. The Court has also considered the factors listed in 18 U.S.C. § 3553(a).

Based on the foregoing, the Court finds that the recommended sentence is sufficient, but not greater than necessary, to comply with the purposes set forth in 18 U.S.C. § 3553(a), while taking into consideration all of those factors and the Chapter Seven policy statements. Specifically, the Court finds that the defendant has admitted that the proof could establish by a preponderance of the evidence that he committed the violations as specified in violation numbers 1-10 in the Amended Petition.

IT IS HEREBY ORDERED, therefore, that the defendant's supervised release is hereby revoked. The defendant is hereby sentenced to the statutory maximum of 22 months imprisonment with no further supervision to follow. It is recommended that Mr. English serve the incarceration term at Lexington, KY and that he receive all available halfway house placement to aid in his transition into the community.
